

# K-12 and Business Teacher Educators - Experience Interactive 3D at LCC!

**April 30th, 2010**  
**9:00 a.m. – 3:00 p.m.**

Gannon Building, Lansing Community College  
422 N. Washington Square, Lansing, MI 48933

You are invited to experience hands-on immersive, simulation-based learning at Lansing Community College in the new i3D Learning Theater and Production Lab.

Discover how you can integrate this technology in your classrooms to help students learn class material faster and retain information longer.

This event is being offered especially for Michigan K-12 teachers and business teacher educators. It is free for all participants. Please RSVP your attendance to **[passart@lcc.edu](mailto:passart@lcc.edu)** or by calling **517-483-9602** by **Monday, April 26, 2010**.
